HELLO ONCE AGAIN...

It's been quite a few months since our last list, but rest assured we are still here with plenty of American numismatic literature for sale.

We start out with a tremendous selection of hardbound catalogues. These are the cream-of-the-crop and are in demand for several reasons. The primary one is because they are quite scarce with 300 usually being the top number of copies made.

Please note – most of these are one-of-a-kind coming from the Karl V. Moulton library. If you want to get something, **act quickly**; never before has there been such a selection offered at one time!

The reference materials section offers dozens of quality items from writers both past and present, covering the entire range of numismatics.

There are hundreds of American auction catalogues to choose from. And be sure to go over those "Interesting Items"!

Also, be sure to check out the special announcement on the rear cover. The John J. Ford & the "Franklin Hoard" book will simply amaze.

Go ahead, send us an order and we'll get it out to you right away.

As always, thanks so much for your business!

Best,

Karl Moulton

HOW DO YOU WANT TO RECEIVE YOUR PACKAGE ?

Here are the options to choose from :

1. **MEDIA MAIL (BOOK RATE).** Please figure \$2.77 for the first item and \$1.00 for each additional item, along with insurance from the table below. We charge actual postage. For shipping purposes, count five PR's as one item. This is how most orders will be shipped unless another choice is requested and prepaid. This option takes anywhere from 5 to 30 days for your package to arrive.
2. **FLAT RATE.** Please figure \$4.90 for items that will fit into a flat rate envelope. Larger orders can go in priority flat rate boxes at \$12 where applicable. Add insurance from the table below. We always charge actual postage. Adjustments will be made for any postal rate increases. Due to the cost, priority shipping charges and insurance must be prepaid. It will take 2 to 7 days for your package to arrive, as the post office will not guarantee delivery within three days.

NOTE : Shipping your order may cost more or less than the estimates above depending upon weight. Any additional charges will be billed based upon actual cost. Insured packages can be traced only after 30 days (the Post Office's policy). Adjustments will be made for any postal rate increases.

**** Any order of \$50 or more for merchandise keeps you on our mailing list for one entire year. ****

PACKING & HANDLING : Please add the following charges for the number of items you order:

1 - 5	\$.75 per item
6 - 10	\$ 5.00 Total
11 - 20	\$ 7.00 Total
21 - 30	\$10.00 Total
31 - 40	\$12.00 Total
41 - 50	\$15.00 Total
51 or more	\$20.00 Total

This helps cover the cost of boxes, strapping tape, packing for the catalogues, labels, etc.
The charges listed above are, in every case, lower than the per lot fees charged in mail bid sales.

INSURANCE : We insure most packages. Please add charges from the table below:
Actual charges will apply, and adjustments will be made for any postal increases.

05/10/1893	Nicholas Petry, 48pp., 771 Lots, This sale was highlighted by the offering of the only known circulated 1827/3/2 Quarter. Interestingly enough a small, unsigned press release was printed in the April 1893 issue of the Numismatist. The story presented was a completely fabricated story that it had been given out in change in a mid-western train station. This may have helped to generate interest, but has, regrettably, been accepted as fact, which it is not. This particular coin was last sold in 1997 in the Eliasberg Collection sales. Easily erasable pencil notations on front covers.....	40.

02/12/1877 Coin Sale, 79pp., 1915 Lots	30.
01/07/1878 Coins & Medals, etc., 71pp., 1520 Lots A bit wrinkled	25.

Many of these early sales show their age in slightly ragged edges, stained paper, thin spines, and occasional notations. Some have been folded for mailing, and to fit in the vest pocket for the days of the sale. Others have been improperly stored over the last 100+ years. All are fully useable copies and we have tried to accurately note any of these faults.

12/16/1880 Charles A. Besson, 40pp., 1175 Lots, These Haseltine sales, long ignored because of their lack of promotion in the descriptions, are a veritable wealth of information to the serious numismatic researcher. A prime example of this can be found in this sale, which contains an 1838-O Half Dollar. You will not find this offering of an 1838-O Half mentioned in anyone's

pedigrees in any references because no one has taken the time to check. According to Haseltine's information, at this early juncture, there were six examples known. **Get these Haseltine catalogues**

Think about this list: the Idler 1804 Silver Dollar, the Olsen 1913 Liberty Head Nickel, the Neil 1894-S Proof Barber Dime, the Kern 1876-CC 20-cent piece, an 1841 Quarter Eagle, an 1879 Stella in Aluminum with another in gold, a 1922 Matte Proof Peace Dollar, hundreds of Patterns, and the unique 1866 Quarter and Half Dollar without Motto. A VERY SPECIAL OFFERING

1960 - 1969 COMPLETE RUN OF ALL 66 SALES

The 1960s was perhaps the most dramatic decade of the last century. At the time the Stack's firm presented many spectacular collections. Some of the important catalogues in this group are the Milton Holmes collection of early copper, the 1804 Silver Dollar in the Fairbanks sale, the Cox collection of half dollars, and the Samuel Wolfson two part collection of choice U.S. material. In 1963 the George Walton collection was offered, but failed to include his genuine 1913 Liberty Head Nickel. For early quarter collectors the Grant Pierce collection in 1965 is a must have. The following year the Conway Bolt sale was another important offering. In 1967 the Charles Jay sale offered Colonials and early copper, along with a 1792 Birch Cent, an 1827 overdate restrike quarter, an 1838-O Half, and the unique 1866 No Motto Proof Dollar. This decade was capped off by the two part offering of the R.L. Miles collection of U.S. coinage, which contained some of the finest known American rarities.

We are fortunate to offer one set only of this significant run of Stack's sales for..... 950.

- 05/03/63 **Samuel Wolfson II, 99pp., 1541 Lots** This sale, as the previous Gold sale, contains many important rarities in all series, the highlight of which is the 1804 Dollar with pedigree documents from John Haseltine and William E. DuBois. Apparently, the first owner of this example, R.C. Davis, wanted some documentation from the parties responsible for creating and selling this coin. This was a smart idea on Davis's part as he knew, along with Haseltine and DuBois, that this coin was one of the "new" Class III Restrikes that first entered the coin market in 1876. The documentation from DuBois is an outright lie and makes for interesting reading..... 35.

WEYL, A.:	Jules Fonrobert, Part II, Central American & Mexican Coinage, 1878, 1974 Reprint, Hardbound. This covers lots 6206 – 10203. The Fonrobert sale is an enigma unto itself. Supposedly, it was put together in the space of 10 years from 1868 – 1877. Most pedigrees regarding the more important coins that were offered in these sales begin with Fonrobert, there doesn't seem to be anything earlier. It is interesting to note that several of the rare U.S. issues from 1792 came from the 1875 Cohen sale. The buyer being listed as Roberts, who was never a consignor to any sales in the U.S.....	50.
